

Women In Construction Week

The focus of Women in Construction (WIC) Week is to highlight women as a visible component of the construction industry. WIC Week also provides an occasion for NAWIC's thousands of members across the country to raise awareness of the opportunities available for women in the construction industry and to emphasize the growing role of women in the industry. It is also a time for local chapters to give back to their communities.

Traditionally WIC Week is held the 2nd week of March. WIC Week planning starts the fall prior, contact current President, Meagen Hendricks, mhendricks@inspirebrands.com for more information.
